The Dental Assisting Program curriculum offers courses for the skilled person to enter into the health care environment as an assistant in the dental office. The general education classes and credits are transferable to other Allied Health curricula or programs. The student is encouraged to obtain advising from faculty to ensure that the proper courses are completed prior to registration or transfer to other health programs.

Additional Admission Requirements for this major.

1. Application form - available from program
2. Three (3) personal references
3. Resume and cover letter.
4. Interview with Advisory Committee

Upon admission into the program, students are required to provide the following:

1. Current CPR and First Aid certification
2. Current immunizations and written statement of good health
3. Proof of health/medical insurance
4. Criminal background check and drug screening.

* Deadline for application is June 1.
